ISLAM OUR CHOICE

(ILLUSTRATED AND UNABRIDGED)

Compiled by **Dr. S. A. KHULUSI, Ph.D.**

There has long been a demand for a book that would relate in simple language the stories of various Europeans accepting Islam. Since 1913 C.E. such articles have been published in *The Islamic Review*. Some of these have now been collected in **ISLAM OUR CHOICE**.

ISLAM OUR CHOICE

also contains an extensive survey of the views of non-Muslim writers about Islam, the Prophet Muhammad and the contribution of Islam to civilization. Extracts, for instance, from the writings of **H. A. R. Gibb**, **T. W. Arnold**, **Napoleon Bonaparte**, **Goethe** and many others, have been given with complete references of their works.

ISLAM OUR CHOICE

is at once interesting and instructive. It brings a better understanding of Islam to Muslims and opens a new vista of Islam before non-Muslims. This is a book that should be widely circulated in all parts of the world.

ISLAM OUR CHOICE

also gives a sketch of the life of the Prophet Muhammad and discusses Muslim conception of law, liberty and morality, Muslim civilization in Spain, Islam in the world and a host of other subjects.
